MINIBUS SERVICE 2023 - 2024

Transport to School

Mayville High School operates a fleet of minibuses across 7 routes to transport pupils to and from school. The service runs from Petersfield, Chichester, Emsworth, Horndean, Waterlooville, Fareham, Bedhampton and Hayling Island with additional stops on route. We also operate a service to the Portsmouth Hard for pupils who need to catch a train, hovercraft or ferry. Unfortunately due to the high demand of spaces required for outside of Portsmouth, the minibuses are for pupils who live outside of the city only.

A late bus is available Monday to Friday for pupils who attend after-care or after-school clubs and leaves for the Hard at approximately 17.20.

Charges

The termly prices for five day return journeys are detailed in the following pages. Mileage is worked out using AA Route planner measuring the distance from school to the stop. You will be invoiced at the beginning of each term, due to the places being in high demand we cannot refund any days not used. Places are prioritised by pupils who have the furthest distance to travel and if buses are full we will hold a waiting list. To accommodate pupil's journeys we may from time to time need to move pupils between buses/drivers/Routes.

If you are interested in booking a place on a Minibus please contact Mrs Morris-Branch in the school office on 023 9273 4847 or email k.morris-branch@mayvillehighschool.net
